啟育學習旅程

Dear Friend of CDC,

Welcome to the new school year everyone!

We have an exciting start of the year at the CDC. To continue to better our service quality, we flew in two special education experts from the United Kingdom. Dr. Rona Tutt (OBE) and Mrs. Tricia Murphy spent a week with us to review our services. Their input and insights are absolutely invaluable to Team CDC. Although our UK consultants have completed the review, our journey in striving for excellence never ends. Here's the story of [our journey](#).

A great upcoming event for parents not to be missed. [International Schools Festival 2017](#) will be held on 16 September (Sat) for parents to discover opportunities of future education for their children. See you at the festival and don't forget to drop by our booth!
