Happy New Year! Hope you've started 2018 with a bang!

In the interim, Dr. Yvonne Becher, a long term member and the Head of Psychological Services at the CDC, will be the acting Chief Executive. She will ensure the smooth transition into a new and exciting period for the centre, until an appropriate candidate has been appointed.

In other news, we've got an action plan following your feedback from the parent survey at the end of the year! Also, check out the results of our performance review by the Social Welfare Department. Don't forget to take a look at our latest SEN Tips too!
