# PARENT SURVEY FEEDBACK 2022

**CLICK HERE TO READ ABOUT THE RESULTS!**

Dear Friends of CDC,

Welcome to our first newsletter of 2022! We hope you and your family have been keeping well and healthy at the start of the year. We would also like to wish you all a very happy and prosperous Lunar New Year! May the year of the tiger bring your family happiness, wealth, longevity and good fortune!

In this Lunar New Year special edition of the newsletter, we have a wealth of information and some surprises for just about everyone! We have just released an article about the [Parent Survey Feedback 2022](#). To learn about our responses and actions to the topics parents raised, click [here](#). We also have some SEN Tips for you further below, so don't forget to scroll down till the very end!

Amongst all the Lunar New Year festivities, spare a thought for children in need of early intervention services. If you would like to give a 'red pocket' to support a child in need, please consider donating to us [here](#).

Furthermore, and in the giving spirit, we have some special offers from you from our partners, [Happy Baton](#) and [YAMA Foundation](#), as well as a design competition organised by [Matilda International Hospital](#). For more details, scroll down to the 'Offers from our Partners' section.

SEN Tips

## Why Crawling Matters?

Babies tend to start crawling on their hands and knees at around the age of seven-to-eleven months. Find out why crawling is such an important stage for your child's development and how you can encourage your child to crawl!

## Core Vocabulary – What it is and Why it's so Important

Speech Therapists will often talk about using and teaching core words when addressing how to help young children with speech and language delay. So, what do they mean?

Offers from our Partners

In the giving spirit of the Lunar New Year, we have a few special offers and a competition announcement for you from our partners! Check them out below:
