

Igniting Learning Journeys
啟育學習旅程

Dear Friend of CDC,

It's been a while since our last newsletter in March. As we approach the end of term and prepare for summer, it's a good time to look back and reflect on our most recent projects.

In November 2018, we launched our first school-based integration programme called [Bright Start](#), which aimed to work collaboratively within mainstream kindergartens. Read some of the feedback, reflection and data on the programme [here](#).

More recently, we attended the [Caring Company Partnership Expo 2019](#), and celebrated a milestone year for the [Daddy Daughter Ball](#) - the 10th Anniversary. See our recap of the special day together with some of our highlight photos!

As we reach the end of term and look forward to the new school year, it is time to say goodbye to many of our students and wish them the best in their next stages of their learning journeys. That's why, we have a special SEN Tips article discussing transition to primary school! Be sure to check it out along with our other articles and the latest events too!

Team CDC

In the News

Daddy Daughter Ball 2019

The 10th Anniversary of the Daddy Daughter Ball was successfully held on 1st June at Grand Hyatt Hong Kong! Read more about it here!

Caring Company Expo 2019

20 of our partners were awarded the status of 'Caring Company' or 'Caring Organization' at this year's expo! Find out who they are!

SEN Tips

Helping Your Child's Transition to Primary School

Transitioning into primary school marks the beginning of a new stage for your child. Check out our tips to learn how you can ease this transition!

Five MORE Great Toys to Develop Your Child's Language

Toys are the best way to practise language while having fun with your child. Discover 5 more toys and how you can use them to get your child talking!

The Power of Music

Many children of all ages are motivated by music. It can also be used as a strategy to improve a child's sensory integration. Find out all the different ways in which music can aid in a child's development!
